The World's Most Elegant Solitaire
Pendant & Earrings

A New Era In Diamonds Has Begun!

CERTIFICATION

Each green leaf diamond is inspected by a GIA Graduate Gemologist. Only if it meets the guaranteed minimum, clarity, colour & cut, it receives the green leaf inscription on the girdle of the diamond. All diamonds that do not meet our standards are rejected from the brand.

You can verify it's an authentic green leaf and has met the standards by logging on to gli-laboratories.com and keying in the Lot # on your certificate.

Once your numbers are entered, you will receive a confirmation from GLI to confirm it's an authentic green leaf diamond.
